We're excited that you've signed on! This website is going to serve as a component to our lecture series at Cornerstone Church . We will post additional content for study as well as the audio and video recordings of the teachings. To make sure that you get the most out of this site, why not take a minute and register yourself in the LOGIN module to the left? That way, we can communicate with you any time new content is posted. The course is being designed around the well acclaimed book, How to Read the Bible For All Its Worth, by Gordon Fee and Douglas Stuart. The premise of these authors, Fee an expert in New Testament exegesis and Stuart the same in the Old, is that genre and context are the primary keys that should drive biblical interpretation patterns. To make this course as fruitful as possible, consider securing a copy for yourself either from Amazon or Christian Book Distributors (CBD) .
